JUNE 22, 2017

# GOLF TOURNAMENT SPONSORSHIP

The 11th Annual Fort McKay Group of Companies LP Golf Tournament will take place on June 22, 2017. The event will be held at the Miskanaw Golf Course in Fort McMurray - a 7,031-yard contemporary course which challenges all levels of golfers.

Your participation and contribution to the tournament will support the Fort McKay School and E-Learning Centre for Continuing Education.

This year, there are four sponsorship levels available - PLATINUM, GOLD, SILVER and BRONZE. The many benefits your company will receive in entering into a sponsorship of the Tournament include official recognition at tournament events, as well as feature placement of your logo on the tournament web-page, signage, banquet tables, and promotional items. More details are outlined below.

Major-level sponsorship packages are geared at creating top of mind awareness and generating great exposure for your brand and company.

To secure your sponsorship, please complete the registration form and submit by e-mail to Lindsay Wilcox, Executive Assistant, at [marketing@fortmckaygroup.com](mailto:marketing@fortmckaygroup.com).

Enjoy a day on the course to support a great cause - and interact with suppliers, customers, colleagues and the FMGOC team. We look forward to seeing you on the links!
